Christmas Food & Drink.

Intended to be as welcoming as possible, our food menu has been created to suit its environment.

The menu offering centres around simple sharing classics - Bao buns. Sliders. Pizza. All able to be wolfed down with a karaoke mic in hand. Or at the bar, day through night.

Easy and delicious, food in our venues should seem like the perfect 'why not?' - sparking the same joy as when they brought out midnight snacks on the dancefloor at that great wedding you went to last summer.

All our ingredients are locally sourced with a focus on sustainability wherever possible, and we are committed to using minimal packaging. We strive to cater for most dietary requirements with vegetarian, vegan, and GF options available.

Have a look at some of our delicious food and drink on the next page, then get in touch for full info!
